

NEW PRODUCT PRESS RELEASE

FOR IMMEDIATE RELEASE: 12/23/03

World Wide Metric is proud to introduce the newest innovation to hit North America. The New B4 compression fitting from CAST. The B4 ring offers a 6-point seal on the standard DIN 2353 fitting. The elastomer seal act as only additional sealing; primary sealing point is still metal to metal.

World Wide Metric is a leader in the wholesale distribution of valves, fittings, tubing and flanges and carries the largest inventory of metric products in North America for the past 30 years.

A world of Knowledge...a world of Service...a world of Products
